

## EU APPROVAL OF CONFORMITY CERTIFICATE

### In line with the requirements of the Lifts Directive 2014/33/EU

This is to certify that the Management System of:

KONE CORPORATION  
Keilasatama 3  
02150 ESPOO, FINLAND

has been assessed by Lloyd's Register Quality Assurance against the requirements of Annex XI, module H1 of the Lifts Directive 2014/33/EU and conforms to the requirements for the products shown below:

#### Traction and Hydraulic Lifts

Approval is subject to the continued maintenance of the management system in line with the relevant LRQA approval FQA0964592/A and with the requirements of the above Directive.

Approval is also subject to continued compliance with the EU Design Examination Certificate(s) issued by LRQA in relation to this certificate.

This certificate is valid only in association with the attached schedule, which forms part of this certificate.

Authorisation is hereby given to use the LRQA Notified Body Registration Number in line with the requirements of the specified Directives for the products as identified above.

Approval Certificate  
number: FR/FQA0964592/B

Original Approval: 30<sup>th</sup> April 2003

Current Certificate: 01<sup>st</sup> July 2021

Certificate Expiry: 30<sup>th</sup> June 2024

LRQA Notified Body  
number: 2748

---

## EU APPROVAL OF CONFORMITY CERTIFICATE FR/FQA0964592/B SCHEDULE

**In line with the requirements of the Lifts Directive 2014/33/EU**

KONE CORPORATION  
Keilasatama 3  
02150 ESPOO, FINLAND

### Origin of the certificate :

This certificate is based on the transfer of the initial certificate FQA0964592/B issued by LRQA Ltd as NoBo 0088 (first approval 30/04/2003), and the relevant EU Design Examination Certificate below mentioned.

This certificate recognizes the validity of the following EU Design Examination Certificates (Directive 2014/33/EU; Annex XI, clause 3.3) until to the expiry date of the current version :

- 0088/964592/F069

### Scope & locations:

This certificate is valid also to cover the requirements of Annex XII, Module D of the Directive 2014/33/EU.

In verification of the KONE's ability to identify the applicable essential health and safety requirements, carrying out the necessary examinations and ensuring compliance of the lifts with those requirements, the following products have been considered:

a) For lifts under annex IV B + annex XII, where KONE is the installer both in design and installation phases: KONE MiniSpace™, KONE MonoSpace™ 500 and KONE ProSpace™ are considered as examples of model lifts.

b) For lifts under annex XI (or annex IV B) + annex XII, where KONE is the installer in the installation phase only: example of lifts covered by an EU-type examination certificate in accordance with annex IV part B, or a full quality assurance system in accordance with annex XI.
