

EU APPROVAL OF CONFORMITY CERTIFICATE

In line with the requirements of the Lifts Directive 2014/33/EU

This is to certify that the Management System of:

KONE CORPORATION
Keilasatama 3
02150 ESPOO, FINLAND

has been assessed by LRQA against the requirements of **Annex XI, module H1** of the Lifts Directive 2014/33/EU and conforms to the requirements for the products shown below:

Traction, Positive drive and Hydraulic Lifts

Approval is subject to the continued maintenance of the management system in line with the relevant LRQA approval FQA0964592/A and with the requirements of the above Directive.

Approval is also subject to continued compliance with the EU Design Examination Certificate(s) issued by LRQA in relation to this certificate.

This certificate is valid only in association with the attached schedule, which forms part of this certificate.

Authorisation is hereby given to use the LRQA Notified Body Registration Number in line with the requirements of the specified Directives for the products as identified above.

Approval Certificate
number: **FR/FQA0964592/B**

EU APPROVAL OF CONFORMITY CERTIFICATE FR/FQA0964592/B SCHEDULE

In line with the requirements of the Lifts Directive 2014/33/EU

KONE CORPORATION
Keilasatama 3
021150 ESPOO, FINLAND

Origin of the certificate:

This certificate is based on the transfer of the initial certificate FQA0964592/B issued by LRQA Ltd as NoBo 0088 (first approval 30/04/2003), and the relevant EU Design Examination Certificate.

Scope & locations :

This certificate is valid also to cover the requirements of Annex XII, Module D of the Directive 2014/33/EU.

In verification of the KONE's ability to identify the applicable essential health and safety requirements, carrying out the necessary examinations and ensuring compliance of the lifts with those requirements, the following products have been considered:

a) For lifts under annex IV B + annex XII, where KONE is the installer both in design and installation phases: KONE MiniSpaceTM, KONE MonoSpaceTM 500 and KONE ProSpaceTM are considered as examples of model lifts.

b) For lifts under annex XI (or annex IV B) + annex XII, where KONE is the installer in the installation phase only: example of lifts covered by an EU-type examination certificate in accordance with annex IV part B, or a full quality assurance system in accordance with annex XI.

See concerned locations in the table below.

The words "installation and replacement of lifts" covers also final inspection & testing.
